## **GOXHILL VILLAGE WALK**

**2.9 MILES**

**START** From the A1077 Barton upon Humber to Immingham Road, turn off at Thornton Curtis and follow the road to Goxhill. Turn right along Howe Lane and after crossing over the level crossing look for King Street on the right. Park on the car park in front of All Saints Church. DN19 7HZ

**THE WALK**

1. From the car park follow the signposted foot path with the church on your right and turn right into Pigeon Cote Lane.
2. Turn right into Churchside and bend right, still on Churchside and take a short path into Church Street.
3. Cross the main road and walk left for a few yards, turning right into Greengate Lane. Take the second path on the right through the bungalows – this bears left before meeting Westfield Road.
4. Turn left and enter a waymarked path via a kissing gate and leave it by a gap next to a finger post.
5. Turn right along the Thornton Curtis/Goxhill Haven Road.
6. Take the third right down Mill Lane. Just beyond Mill Farm on the right turn left onto a signposted bridleway that is initially metalled. Follow this path round to the right and to the road (if this is a winter walk it would be better to continue on the bridle way until the 2<sup>nd</sup> right, due to flooded road).
7. Cross the road and turn left.
8. Turn right down Ruards Lane and in a few yards right again down a wide green lane.
9. At a main path junction turn left along the Green Ramper path with the primary school field and building through the trees on your right.
10. At the road turn right onto Horse Gate Field Lane which becomes Howe Lane.
11. Turn right into King Street and back to the car park.

**TERRAIN** Basically flat, walking along metalled lanes, pavements and good paths. In winter or after wet days numbers 6, 8 & 9 can be quite muddy.

**TIME** Allow 1½ hours at a leisurely pace.

**MAPS** OS Landranger Scunthorpe 112 and Grimsby 113  
OS Explorer Ancholme Valley 281 and Grimsby 284

**TOILETS** None.
