4. Turn left onto Brickyard Lane, a single-track dirt lane.
5. At the A18 road, turn left along the footpath along the B1206 towards Barton.
6. About 100 yards/metres before the 40mph road signs, turn right, cross the road following a way marked path through the hedge, up the field alongside another hedge on the right.
7. As the path bears left, it enters an enclosed section and emerges onto a surfaced lane. Take the first road right (Little Lane).
8. Bear right into and back along Vicarage Road to the start.

### TERRAIN:

Wrawby is on a hill, the walk basically goes along a hillside, drops into the Ancholme Valley, stays level for a while the gradually regains height lost, more noticeably from point 6. Point 1 to 2 is on pavements initially crossing the A18. At point 2 care also needs to be taken crossing the B1206 Barton Road. Star Carr Lane is a quiet, surfaced lane with no pavements. The field headland path from 3 to 4 is wide, uneven in places near the motorway. Brickyard Lane is a single track, level, grit surfaced lane. Pavement is followed along the B1206 to point 6, most of it separated from the road by a strip of grass. The road crossing here needs care. The footpath from 6 to 7 is a rising, grassy path, emerging through the final enclosed section into a single track surfaced lane with no pavement. Pavement is rejoined in Vicarage Road with the final road crossing of the A18 to the church.

### TIME:

Allow 1 – 1½ hours at a leisurely pace.
