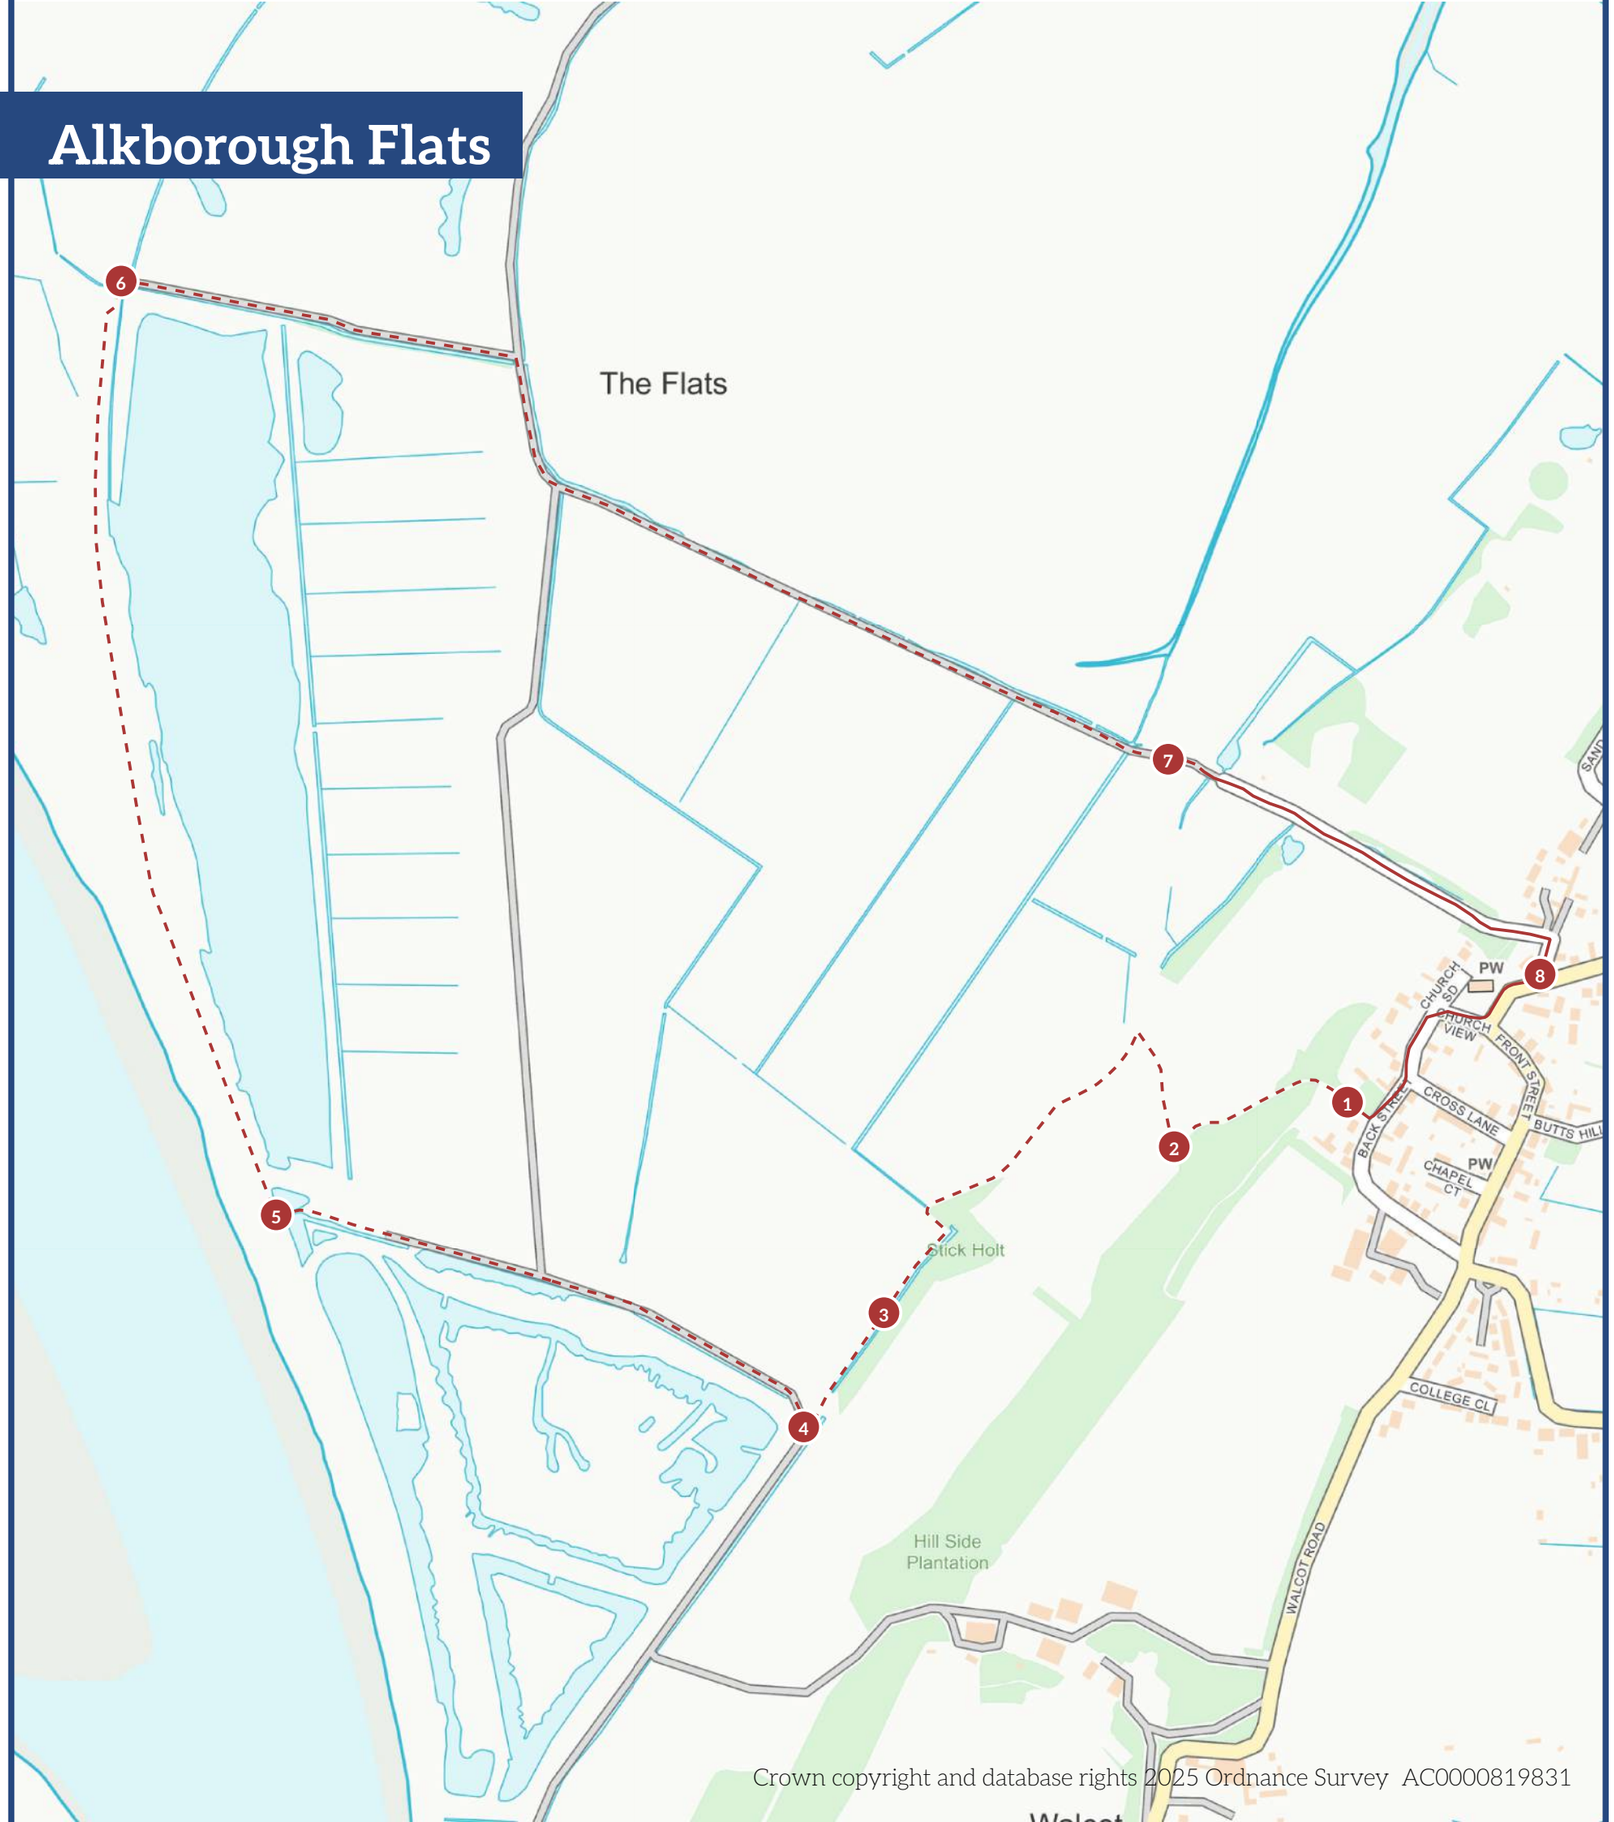
Alkborough Flats



Crown copyright and database rights 2025 Ordnance Survey AC0000819831

3.25 miles. 1hr 30 mins.

Start - At entrance to Julian's Bower on Back Lane, DN15 9JN

1. Enter the gate for Julian's Bower and follow the footpath marked 'Permissive Footpath to Alkborough Flats'. This goes down a gully, through a kissing gate swinging left, then right down through two more gates to reach a grit path.
2. Turn left, the grit surface soon runs out, becoming grass: follow the left hand edge, immediately after crossing a wide dyke bear left following the waymarks along the left hand field edge.
3. Go through a gate, over a bank, through another gate into a wide grit lane.
4. Turn right (the signpost indicates Trent Falls), later as the lane bends right through gates, proceed straight along a narrower track, going through a gate at the end.
5. Climb the riverbank, turn right along it; go through another kissing gate and continue to a signpost indicating Trent Falls 330 yards (straight on) and Alkborough 1¼ miles down to the right.
6. Turn right towards Alkborough, go through a gate onto a wide grit lane; follow this as it bends right and then left again, the tidal flats now on the left.
7. Continue over the bank and up the hill on Prospect Lane.
8. Bend right to a road and bend right again on a grass path round the Church into Churchside, continue ahead past the Coronation Club to the start.
