

FLIXBOROUGH SOUTH

2.5 MILES

→ **START** Fenestra Centre, High Street, Flixborough, DN15 8RL

📍 **THE WALK**

- 1... From the Fenestra Centre turn left onto High Street High , follow the road towards Stather Road where it bends left, then right. At the right hand bend go through the waymarked kissing gate on your left and follow a winding path downhill.
 - 2... Go through two more marked kissing gates carefully crossing the mineral railway line.
 - 3... Ignoring an obvious path going downhill (this is your return journey), turn left following a path with a hedge on your left. Go through a gate and keep to the top of the field where the views are good. The path is pleasant going through thickets and another kissing gate before gradually winding down eventually to run alongside a metal fence.
 - 4... The path meets a wide track at a finger post, turn right, following the track ignoring a left hand turn which leads to a poultry farm.
 - 5... As you approach a road ahead (this road is Stather Road leading back into the village) look for a waymarked path on your right. Turn right here following a headland path uphill.
 - 6... Go through a kissing gate following the path uphill and back to the railway line crossing meet at point 2 return along High Street and back to the Fenestra Centre.
-

🗺️ **TERRAIN** The area is on the edge of the escarpment, the outward route descending gently until point 2 and then following the scarp before dropping to the valley bottom at point 4. From point 5 the route returns gently uphill. The paths are good and clear from 2 to 4, after which a wide track/rough lane is followed to 5.

🕒 **TIME** Between 1 hour and 1½ hours at a leisurely pace to take in the views.

📍 **MAPS** OS Explorer 281 Ancholme Valley. OS Explorer 280 Isle of Axholme.
