## WINTERINGHAM WALK

**3 MILES**

**START- Verge side parking on Low Burgage ( we do not have permission to park at the Bay Horse )**

### **THE WALK**

1. From the Bay Horse Inn, walk down Low Burgage and bear left into Waterside.
2. Next to the entrance to the Humber Yawl Club there is a footpath (signed) leading up a short bank. Follow this bank for a short distance (with reeds on your right) and the gates to the Yawl Club will be in front of you. Turn left and go over a stile which leads to a long straight embankment.
3. Follow the embankment for just over a mile and( go over a gate and stile this has been removed 2015 ). The embankment now curves away from the river until a ramp on the left leads down to a lane. The signpost ( Signpost missing 2015) here tells us this is Booth Nooking Lane. Take this.
4. Near Marsh Farm the road improves and in a while the road bears left. To your right is Rotten Sykes Lane (a public footpath which leads to Whitton) We go straight on on a signed footpath (sign missing 2015) alongside a dyke.
5. Where the path veers right, cross Haven Drain by a wooden bridge, and, near the church you will emerge into Meggitt Lane.
6. Turn right past the churchyard and follow the road, which eventually becomes West End.
7. Turn left at the Bay Horse Inn and back to your starting point.

### **TERRAIN**

The area from point 1 to 5 is flat, there marks a steady slope up through point 6 and levelling out along West End. From the bay Horse the road slopes gently down to the Haven. Between 1 and 2 is a quiet lane, 2 and 3 a good path along the embankment. Between 3 and 4 is a farm track which becomes metalled. Between 4 and 5 is a field edge path (quite muddy on wet days). Between 6 and 7 there are quiet lanes and footpaths.

### **TIME**

Between 1 hour and 1 ½ hours at a leisurely pace. Views along the embankment down to the Humber Bridge or wildfowl on the mud flats may delay!
